

Make your voice heard on February 26 & 27

Why should you vote?

Because your voice can make a difference in how USF addresses issues such as campus safety, the allocation of student fees, and legislation that affects USF and its students.

On February 26 & 27 you will have the opportunity to elect the new Student Body President and Vice President.

These leaders advocate for you, the students, so shouldn't you have a say in who they are and what they stand for?

Stampede the polls. Vote at the web site below. Make USF a better place to live and learn.
