### Entities:

Administrative Services

Election Rules Committee

### About SG:

If you are looking for leadership opportunities that will connect you to USF and prepare you for life after graduation, SG is a great place to start. With over 250 members, SG has positions for every skill set, major, and experience level. We are responsible for allocating over \$10 million in student fees that fund your Campus Activities Board, Campus Recreation Center, student organizations, and other events around campus. If you want to ensure a positive atmosphere and enact growth and change here at USF, SG is for you.

### Mission:

To boldly advocate for diverse student interests, provide opportunities to engage students and enhance university life, and serve with integrity and honor in all that we do.

### Be Sure to Vote!

Every student is important to USF, and you all have a voice that should be heard. Taking part in general elections that determine the Student Body President and Vice President is an excellent way to get involved.

### Election: February 26 & 27, 2008

You can vote at [www.sg.usf.edu](http://www.sg.usf.edu)

### Work on Campus:

SG has a number of paid positions that are posted on the website as they become available. Check regularly!

### Join Street Team:

This is a volunteer program that markets SG events. For more information, contact Meghan Wilhelmsen ([mwilhelm@mail.usf.edu](mailto:mwilhelm@mail.usf.edu)).

### Become a Senator:

Represent your college in the student senate. These are elected positions that require at least 4 hours per week.

Members of SG outside the White House. These students represented USF's Student Government at a national leadership conference in Washington, D.C. in September 2007.
